

# SCHOOL CHOICE MEETING

WE LOVE THE NEIGHBORHOOD...  
BUT WHAT ABOUT SCHOOLS?

Tuesday, January 24  
7 - 9PM

The Artisan Church  
1235 South Clinton Ave.

City Schools? Charter Schools? Private Schools?

Join us for a conversation and informational meeting about school choice at both the **elementary and secondary** level. Meet students, parents, teachers, and administrators from a range of school options for families in the Highland Park and other southeast city neighborhoods. **Our goal** is to support families with navigating through the selection process, the opportunities and the choices!

Don't miss this important meeting if you have kids, want kids or just care about kids!

We encourage parents to come even if school is a few years down the road!
